

CHANDRAKALA CHAUHAN

FASHION COMMUNICATION STUDENT

So far, I have learned a lot, and there is still a lot to learn. That's why no matter what the situation is, if you give me any work, I would like to do it by putting all my knowledge into it, to complete the work on time. I use to give my best as a team member and if I get a chance to become the leader of my group, again I'll give my best. Creating, Observing, or Compelling various designs or experiencing different designs is what helps me to sleep at night. Here is the "teaser" of my life so far. To know more, check out my portfolio!
